Aluminum Tins Product Catalog

2026 Edition — Round, Square & Custom Shapes

A complete overview of our aluminum tin range, capacities, dimensions and decoration options for food, cosmetic and industrial packaging.

Metal & glass packaging manufacturer and exporter — aluminum tins, metal closures, glass jars and matching components. Custom printing and bulk supply.

1. Product Range Overview

Our aluminum tin portfolio covers round, square, rectangular and custom-shaped containers from 10 ml to 5 L. Every tin is food-grade, recyclable and available with matching lids, windows and dividers.

Model	Capacity	Diameter	Height	Use case
RT-050	50 ml	52 mm	22 mm	Cosmetic / balm
RT-100	100 ml	64 mm	26 mm	Ointment / tea
RT-250	250 ml	78 mm	38 mm	Candle / powder
SQ-500	500 ml	90 x 90 mm	60 mm	Gift / confectionery
RT-1000	1,000 ml	110 mm	75 mm	Bulk food storage
RT-5000	5,000 ml	180 mm	160 mm	Industrial / paint

2. Materials & Finishes

Tins are produced from 0.21-0.35 mm aluminum with options for matte, glossy, soft-touch and metallic finishes. Interior linings include food-grade epoxy-phenolic and FDA-compliant coatings.

3. Decoration Options

Full-colour offset printing, metallic Pantone, embossed logos, debossing, spot UV and inside printing are all available. Artwork is provided as vector PDF or AI files at 300 dpi effective resolution.

4. Ordering & Lead Times

Standard sizes ship in 15-20 working days for stock finishes. Custom tooling and printed orders typically require 25-35 working days after artwork approval. MOQ starts at 5,000 units per size.

Specifications are indicative and may be tailored to your project. Contact sales@example.com for a formal quotation.
